LB 18

SENATOR DWORAK: But the usury law specifically says 11%. Is that correct? Apparently you're referring this to another section of law, Section 45-1031.

SENATOR NICHOL: That's right.

SENATOR DWORAK: In that particular section we say 11%.

SENATOR NICHOL: Yes, at the present time that would be 11% because we raised that from a nine to eleven three or four years ago.

SENATOR DWORAK: Thank you, Senator Nichol. I support Senator Burrows amendment to put this back to 9%.

SENATOR MARVEL: Is there any other discussion on amendment number one? Are you ready for the question? All those in favor vote aye, opposed vote no.

CLERK: Senator Marvel voting no.

SENATOR MARVEL: We're voting on Burrows' amendment number one to LB 18. Have you all voted? Have you all voted? You have to have twenty five. Have you all voted? I'm going to call for the vote. Clerk, record.

CLERK: 12 ayes, 14 nays on the Burrows first amendment, Mr. President.

SENATOR MARVEL: Do you make a motion or do you ask unanimous consent?

SENATOR BURROWS: I ask unanimous consent to withdraw all the amendments and I have a motion on the desk to indefinitely postpone LB 18.

SENATOR MARVEL: Senator Nichol.

SENATOR NICHOL: I object.

SENATOR BURROWS: I ask to withdraw all the amendments and I have left a motion on the desk. I don't know which way takes...

SENATOR MARVEL: The Clerk informs me, Senator Nichol, that an introducer of amendments can withdraw them.

SENATOR NICHOL: What did you say? What did you say, sir? I object to his withdrawal.

SENATOR MARVEL: We were discussing the rule on the withdrawal of amendments and the Clerk informs me that the
